

TPUOA

Tri Palm Unified Owners Association

In order to save the association money and perhaps a few trees, Tri Palm Unified Owners Association is offering to all members the option to receive association notifications via email instead of through the U.S. Postal service. This would include meeting notices and any other communications required in the by-laws, which otherwise must be sent by conventional mail.

To adopt email as your primary mode of notification from the board, please return this authorization sheet. The form may be returned in several ways:

Hand-deliver the form to TPUOA (or have a neighbor do it for you)

To return by email, attach the completed and scanned form to tpuaa.tpe@gmail.com

To return by post, please send to the association address:

Tri Palm Unified Owners Association
32-851 Desert Moon Drive
Thousand Palms, CA 92276

Additional copies of this authorization can be found at tpuaa.net. After providing authorization for electronic communication you can change your designation at any time by writing or emailing TPUOA to revoke your authorization.
